

Department of Oncology

Team Induction Checklist

Your team induction will be completed by either your manager or a designated person in your team. This will include the following:

- Introduction to your team members and any other key people you will need to know;
- Inform you of building access, your working hours and lunch breaks, any local meeting arrangements (e.g. regular team meeting schedule);
- A tour of your work area / lab and building;
- Provide you with an overview of your local facilities, including: kitchens, toilets, printer locations, refreshments, parking / bicycle storage, Knowledge Centre / University library;
- Booking an objective setting meeting to take place within the first 3 months; here you will outline your role including performance expectations and setting objectives;
- Signposting to mandatory and role specific training, e.g. R12 Procurement, TIRS, etc.;
- Any additional team specific information you need to know.

In addition to your role specific training, all members of staff are required to complete their Department mandatory training:
