

Departmental Safety Advisory Committee (DSAC)

Terms of Reference

The DSAC has been set up to:

- To ensure adherence to the University's Health and Safety Policy and to ensure that sufficient resources are made available for this.
- To plan, organise, control, monitor, and review the arrangements for health and safety, including the arrangements for students, contractors, and other visitors, and to strive for continuous improvements in performance.
- To ensure that general and specific risk assessments are carried out as required by health and safety legislation and University Safety Policy.
- To ensure that all work procedures as far as is reasonably practicable, safe and without risks to health.
- To ensure that training and instruction have been given in all relevant policies and procedures, including emergency procedures.
- To ensure a record of all cases of ill health, accidents, hazardous incidents and fires, are dealt with in line with University Safety Policy
