#### **Cancellation policy**

All enrolments are subject to the terms and conditions set out below.

A contract between The Department of Oncology and the student comes into being when a student accepts an offer of a place on the summer school.

You have the right to cancel this contract at any time within 14 days, beginning on the day you accepted the offer.

Please be aware that if you cancel your place at any time after the expiry of the 14-day period you will not be entitled to a full refund of the price paid for the summer school.

We recommend that all applicants read the [full cancellation policy](#).

You are expected to take out vacation cancellation insurance to cover the programme fee and travel costs, and you should consult your travel agent and/or insurer for information and advice. Oxford University does not provide any insurance cover.

Oxford University reserves the right to alter details of any course should illness or any other emergency prevent a tutor from teaching, and to cancel a course or seminar if exceptionally low enrolment would make it educationally unviable.
